

# ISLAMIC HIJRI CALENDAR

# 1436

**The Year  
Consists  
of Twelve  
Months**

Verily, the number of months with Allah is twelve months in a year so was it ordained by Allah on the Day when He created the heavens and the earth; of them four are sacred. That is the right religion so wrong not yourselves therein, and fight against the Mushrikin idolaters collectively as they fight against you collectively

But know that Allah is with those who have Taqwa  
{Surah: at-Tawbah. 36}
